UI Design: Wireframing, High-Fidelity Prototyping, Responsive Design, Design Systems, Visual Design, Typography, Color Theory, Accessibility

Tools: Figma, Adobe XD, Adobe Photoshop, Adobe Illustrator, FigJam, Miro

Technical: HTML, CSS, Basic JavaScript, Responsive Web Design, Git & GitHub

PROFESSIONAL EXPERIENCE

UI/UX Designer — TechNova Solutions, Bengaluru | Jan 2024 – Present

- Designed responsive web and mobile interfaces for SaaS products using Figma.
- Conducted user interviews and usability testing with 30+ users to identify usability issues.
- Created user flows, wireframes, prototypes, and high-fidelity designs.
- Developed and maintained a reusable design system containing 50+ UI components.
- Collaborated with product managers and developers throughout the product development lifecycle.
- Improved the onboarding experience, reducing user drop-off by approximately 18%.
- Conducted A/B testing on key interface components and incorporated user feedback into designs.

Junior UI/UX Designer — CreativeWeb Studio, Kochi | Jul 2022 – Dec 2023

- Designed websites and mobile applications for clients across e-commerce, education, and healthcare.
- Created low-fidelity wireframes and interactive prototypes.
- Performed competitor and user research before starting new projects.
- Improved website navigation and information architecture for multiple client projects.
- Collaborated with frontend developers to implement responsive designs.

PROJECTS

E-Commerce Mobile Application — Conducted user research, created personas and journey maps, designed checkout/payment flows, built interactive Figma prototypes, and conducted usability testing with 15 users.

Healthcare Appointment Platform — Designed responsive patient/provider flows, wireframes, high-fidelity prototypes, accessibility improvements, and a reusable component-based design system.

Finance Dashboard — Designed a responsive financial analytics dashboard with data visualization layouts, navigation, filtering systems, and developer handoff documentation.

EDUCATION

Bachelor of Design – Interaction Design — National Institute of Design | 2018 – 2022

CERTIFICATIONS

- Google UX Design Professional Certificate

- Figma UI/UX Design Certification
